

## **Extension for Magento 2**

Testing on Magento 2.1 with Sample Data.  
Version 1.0 (23.04.17)

## Customer Wishlist Items

The Customer Items Quote Extension allows you to view the products that people want to buy.

The main functions of the module are:

- To see a list of users wishlist;
- filtering by a plurality of data fields;
- the ability to add or remove data columns in a wishlist table;
- the ability to add different View for view.

### Installation:

- Copy the folder with the module at the root of your site;
- run the following command:  
    php bin/magento setup:upgrade  
    php bin/magento setup:di:compile  
    php bin/magento setup:static-content:deploy  
    php bin/magento cache:clean
- after they are completed, you should see in the app/etc/config .php this module.

### Use:

Go to admin -> Customer -> Customer Wishlist
